CSR Address: A controlled substance registration address must be an Indiana address. A post office address (PO Box) may only be used in conjunction with an actual street address.

Obtaining CSR's: You must have a CSR for each location in which you dispense and/or administer controlled substances. If you only prescribe you only need one CSR at your primary place of practice.

Renewing CSR: You must have a current physician assistant license in order to renew your controlled substance registration. You should have a separate renewal for each CSR you hold.

Visit us at www.pla.in.gov for more information regarding your license, or email the Board at pla3@pla.in.gov.
